HEALTHCARE PROVIDER TEST UTILIZATION OPTIONS

CLINIC PAYS:

Option 1: Patient Requisition - Clinic Pay

- Clinic creates account with IML and receives special guaranteed pricing. Discount varies based on annual testing volume. IML will utilize the authorized credit card on file.
- Clinic will order individual tests from lab with patient information on approved test requisition and IML will send the test directly to patient with a copy of the clinic requisition.
- Clinic will collect the test kit fee directly from the patient
- IML will process the clinic's credit card for each test upon receipt of the specimen at the lab
- The prices below are applicable with this method of distribution and include shipping costs to patient:

Estimated kits per year	Cost Per Test
Less than 100	\$80
101-500	\$75
501+	\$70

Option 2: Advance Deposit- Clinic Pay

- Clinic will order test kits from IML and receive special guaranteed pricing. This discount will vary dependent on proposed annual testing volume. IML will utilize the authorized credit card on file.
- The initial order of test kits is a minimum of 5 kits to receive special discount, clinic pays a deposit of \$20 per kit
- Clinic will collect the test fee directly from patient
- IML will bill clinic the remaining balance of price of test listed below less deposit when specimen received at lab for processing
- Please contact Inflammatory Markers Laboratory at 316-558-5850 or email at info@inflammatorymarkerslaboratory.com to order additional test kits.
- The prices below include all shipping. The current retail price for the test is \$87.

Estimated kits per year	Cost per Test
Less than 100	\$75.00
101 - 500	\$70.00
501+	\$65.00

PATIENT PAYS:

Option 3: Online Patient Ordering - Patient Pay

- IML will assign your practice a unique promo code for your patients to use when ordering
- Refer patients to <https://chronicinflammationtest.com/the-test/order> to order test online and follow steps below:
 - Select Patient/Consumer button
 - Enter “Unique Promo/Tracking Code for your practice and click “Apply” (A clinic discount is 7.5% on all tests)
 - Select number of tests and click “Add to Cart”
 - Patient then completes “Check Out” with their credit card and shipping information
- Patient will be sent test kit from Inflammatory Markers Laboratory with instructions for completing test and returning to lab
- Clinic can have score sent directly to office or office & patient

Option 4: In Office Distribution and/or Online Patient Ordering - Patient Pay

- IML will send 5 test kits to the Clinic at a deposit of \$20 each to be distributed in office
- Kit contains instructions for the patient to include payment to lab either by check or credit card. (7.5% test discount will still be applicable with this method)
- If clinic needs additional test kits you can order by sending us an email at info@inflammatorymarkerslaboratory.com
- If you prefer you can also utilize Online Patient Ordering online as described in Option #3
- Clinic can have score sent directly to office or office & patient
